Weather Update (National Weather Service)**Impacts**

- Generally lighter winds are expected across much of the state Friday
- Dry weather will continue through at least Friday.
- Periods of thicker wildfire smoke will remain across northern and central California, bringing reduced visibility and air quality at times through at least this weekend.

Watches/Warnings/Advisories

- Updates to Watches, Warnings and Advisories can be found at <https://www.wrh.noaa.gov/hazardSummary/?state=ca>
- Northern California:
 - None
- Southern California:
 - None

Northern California	
<u>Valley (Fri-Fri Night)</u>	<u>Foothills/Mountains (Fri-Fri Night)</u>
Temps: Lows: 55-70°F; Highs: 87-97°F, with 70s closer to the water	Temps: Lows: 45-65°F, with 30s on the highest peaks; Highs: 70-90°F, with 60s on the highest peaks
Humidity: Night: 85-100% near the coast, with 45-85% inland; Day: 35-50% near the coast, with 15-30% inland	Humidity: Night: 40-70%, except 75-100% along the coast; Day: 10-25%, except 30-55% along the northern coast.
Winds: South-southwest 5-15, except west 10-20 mph near the Delta	Winds: West-southwest 5-15 mph
Precipitation: Dry	Precipitation: Dry
Southern California	
<u>Coast (Fri-Fri Night)</u>	<u>Inland (Fri-Fri Night)</u>
Temps: Lows: 55-65°F; Highs: 75-90°F	Temps: Lows: 60-80°F; Highs: 85-105°F, with 70s in the higher mountains
Humidity: Night: 85-100%; Day: 30-60%	Humidity: Night: 40-65%; Day: 10-30%
Winds: Onshore 5-15 mph, becoming light and variable overnight	Winds: South-southeast 5-15 mph during the day Friday, becoming southwest 5-10 mph Friday night
Precipitation: Dry	Precipitation: Dry

Outlook for Saturday through Thursday:

A weak storm will brush by northern California over the weekend. This will bring a round of breezy winds and elevated fire weather concerns to northern California, primarily in the mountains, but no widespread significant concerns are currently expected. Isolated showers are possible along the Oregon border on Saturday, but otherwise little to no precipitation is forecast through the middle of

State Operations Center

2021 August Wildfires

Report Time:

0730

next week.

After somewhat cooler temperatures through the weekend, a warming trend is expected for much of the upcoming work week, with moderate heat impacts potentially developing by mid-to-late week, primarily in the southern half of the state. Dry conditions and locally breezy winds could contribute to elevated fire weather concerns throughout the week, especially in the mountains and foothills.

**CA-ESF 2: Communications**

- Cache Fire: AT&T requesting site protection for equipment that may be impacted. Cal OES FDO, ESF-2, and Cal OES TDO copies relayed information to Cal OES Fire Field and Fire personnel, as of August 18, 2021.
- TACCOM is coordinating possible task from Cal OES Recovery for two (2) SAT phones for DTSC Task Force.
- TACCOM is coordinating delivery and drop-off of four (4) FirstNet Nighthawks for Susanville Rancheria EOC.
- Caldor Fire: CUEA, on behalf of all carriers, areas near HWY 50 are currently threatened and will cause service interruption if impacted. Protocols are being put into places to alleviate the loss of communications infrastructure, as of August 18, 2021 at 1520 hours. Cal OES FDO and AC on scene have been in contact with on-site carrier personnel to attempt mitigation of the situation. (Coordinating)
- Incident Based Team (IBT) Radio Technician Deployments:
 - Total Assigned/Deployed: 25 (+4)
 - Total Unassigned/Available: 3 (-1)

CA-ESF 12: Utilities**California Utilities Emergency Association (CUEA)**

- Caldor Fire: CUEA on behalf of AT&T request site protection for their equipment near fire several sites may be impacted, Cal OES Fire AC is on scene. FDO is monitoring and supporting requests.
- Dixie Fire: CUEA on behalf of Verizon and AT&T is requesting site protection for their equipment.
 - Cal OES Fire ACs on scene providing liaison support for requests.
- Caldor Fire: T-Mobile requested site protection for their impacted equipment near fires.
- Dixie Fire: Frontier reported that over 50 utility poles and 9,000 feet of fiber must be replaced. Permanent restoration materials will be on hand on August 19, 2021; construction date is to be determined as the area is still actively burning.
- PG&E Outages:
 - Plumas County – 1,100
 - El Dorado County – 1,800

CA-ESF 7: Resources**Department of General Services (DGS)**

- DGS procurement is working on:
 - One (1) Class A tractor with Driver (but no trailer), and two (2) box trucks with lift gates and pallet jacks to support wildfire operations from the Dixon Warehouse 7-days per week 1900-0700. - Coordinating
 - Conex storage box to store food and equipment in Quincy. – Coordinating.
 - Two (2) flood fighting specialists to identify placement of emergency protective measures on cleared DTSC parcels within the town of Greenville in Plumas County. – Coordinating.
 - One (1) shower trailer and 10 hand washing stations for El Dorado County evacuees. – En route with an estimated ETA of August 19, 2021 at 1730 hours.

Disaster Logistics

- NSTR

CA-ESF 8: Public Health and Medical

California Department of Public Health (CDPH)

- Plumas County submitted a resource request for 20 oxygen concentrators, for evacuees, and 10 HEPA Filters, for shelters and hospital. EMSA is filling the request for the concentrators, and Cal OES SOC Mission Tasking is working with DGS to fill the request for HEPA filters (air scrubbers).

CDPH Licensed Facilities Impacted by Fires (from Center for Healthcare Quality dashboard):

	General Acute Care Hospital	Skilled Nursing Facility	Federally Qualified Health Center	Community Dialysis Center
Operational	7	8	2	N/A
Non-operational	1	1	0	1
Status unknown	0	0	0	N/A
Total facilities being monitored	8	9	2	1

Dixie Fire (Plumas, Lassen, Butte and Tehama Counties)

- Banner Lassen Medical Center General Acute Care Hospital:
 - As of August 17, 2021, beginning to run out of air intake filters and are acquiring more. Dixie Fire is about 14 miles south of the facility. Parts of Susanville are under an advisory order, but the hospital is in a good location.
- Seneca District Hospital:
 - As of August 19, 2021, [Chester and the surrounding area will be downgraded, and they will begin repopulation of Chester.](#) Phone service should be restored. All staff and patients evacuated from Seneca GACH. Hospital has had no fire damage to date. Generators have adequate fuel and have been serviced. Maintenance person nearby, if needed. CDPH and OSHPD will be onsite August 20, 2021.
- D/P Skilled Nursing Facility:
 - As of August 19, 2021, [Seneca is still operating the Skilled Nursing Unit with a census of 16 Residents at the alternate care site at Windsor Chico Creek.](#) Seneca continues to support that facility and the staff caring for those individuals. Chico CHCQ L&C District Office continues to maintain daily communication with Seneca and the alternate care site at Windsor Chico Creek, including working on its repopulation plans.

EMSA

- The Cache Fire in Lake County (Region II) threatened Adventist Health Hospital in Clearlake on August 18, 2021, leading to the evacuation of 17 patients. The patients were transported, without incident, using local resources (two (2) Napa AMR ambulances) to Sutter Lakeside General Acute Care Hospital (GACH) and Adventist St. Helena
- One (1) ambulance strike team (2 Advanced Life Support / 3 Basic Life Support) is staged in Susanville to support med/health needs, including patient evacuations and shelter support.
 - The ambulance strike team is temporarily assisting with medical care at the Susanville shelter.
- EMSA deployed CAL-MAT to support the Susanville shelter August 18, 2021. The operation has been set up with care beginning August 19, 2021.
- EMSA is providing CAL-MAT to provide medical care and COVID-19 testing at several CAL FIRE Base Camps, including:
 - Dixie Fire Base Camp in Susanville.

- Monument Fire Base Camp at the Shasta Fairgrounds, as of August 18, 2021.
- Caldor Fire Base Camp at the El Dorado County Fairgrounds beginning August 19, 2021.
- EMSA remains in contact with the Regional Disaster Medical Health (RDMHS) regarding medical and health needs and communication issues in Region II and III due to fire impacts.
- EMSA continues to maintain mobile medical assets for quick deployment to support local medical needs.

CA-ESF 10: Hazardous Materials

Air Quality Index Map (airnow.gov) – California Environmental Protection Agency (Cal EPA) as of August 20, 2021, at 0545 Hours: -

- California Air Resources Board (CARB) continues to support affected air districts and air quality agencies. A total of 32 portable air monitors are currently deployed (a new monitor was deployed yesterday in the community of Covelo, in Mendocino county) throughout the state to support local air quality agencies and is visiting their equipment storage caches in Redding, Mariposa, Ukiah, Santa Barbara, and Fresno to manage inventories and resupply monitors and supplies.
- Based on yesterday's PM2.5 Air Quality Index (AQI), a majority of communities in the following Northern California counties experienced air quality in the unhealthy category: Butte, Nevada, Yuba, Sutter, Colusa, Yolo, Placer, Sierra, Plumas, Sacramento, Amador, Solano, El Dorado, Calaveras and Lassen. Today's forecast predicts similar conditions in most locations except for [Trinity](#), [Shasta](#), [Siskiyou](#), [Butte](#), [Tehama](#), [Plumas](#) and [Lassen](#) counties, which are forecasted to have worsening conditions and be impacted by [very unhealthy](#) air.
- The Bay Area and Southern California, are expected to receive [similar](#) air quality today as yesterday, with AQI predicted to be [moderate](#) to [unhealthy for sensitive groups](#), except for parts of [Kern](#), [Tulare](#) and [Kings](#) counties which are predicted to experience [unhealthy](#) air.

Watershed/Debris Flow Task Force (Reported only on Fridays)**Phase 2 – Debris and Hazard Tree Removal**

- **Task Force:** The Debris Task Force (DTF) has returned to full operational status and will meet every Monday at 1400 hours, and the core operations group will meet daily.
- **Operational Planning:** The DTF is actively preparing operations plans for Phase 2 operations, and monitoring damage assessments to ensure planned project scope is appropriate.
- **Environmental Planning:** The DTF and Cal OES Environmental and Historical Preservation (EHP) group have developed a draft Environmental Protection Plan and will be sharing with partner agencies.
 - Establishing contact with California Natural Resources Agency (CNRA) and CalEPA partner agencies to make changes to the document and prepare for waiver requests to the CNRA and CalEPA Secretary.
 - Establishing a Record of Environmental Considerations checklist for debris removal operations.
 - Advisory to watershed on debris flow, and sediment control measures.
 - Advisory on permits to establish emergency housing for residents displaced by Dixie Fire.
- **Procurement:** Cal OES and CalRecycle are developing procurement documents for both Assessment and Monitoring Services and Debris and Hazard Tree Removal Services.

Recovery Support Team Activities**Tamarack Fire:**

- Continuing coordination with USFS to place two (2) Department of Water Resources (DWR) rain gauges in the town of Markleeville. USFS is vetting the proposed rain gauge locations.
- Continuing coordination with the USFS to expedite permitting to allow treatment of the Markleeville Water Company's Watershed, the Musser and Jarvis Creek.
- Conducted meeting with NWS, DWR, and CGS for the purpose of discussing the need for new rain gauge implementation once BAER Team Remote Automatic Weather Station (RAWS) rain gauges are demobilized from the area. Coordinated with the USFS BAER team and the Markleeville Water Company to include the water companies proposed Musser and Jarvis

watershed BMP treatments in the official BAER report. This will expedite the NEPA process, and allow the USFS to issue permitting for the installation of the proposed BMPs and erosion control measure.

Dixie Fire:

- Continuing to coordinate with Nevada and Placer County to identify any unmet needs and provide technical assistance as needed.
- Meeting with DTSC and California Conservation Corps on August 18, 2021 to carve a potential path forward for a coordinated effort to implement emergency protective measures in the Dixie Fire burn scar.
- Meeting with the Waterboards, DWR, and California Department of Fish and Wildlife (CDFW) on August 18, 2021 to discuss impacts to the Feather River Watershed, agency responsibilities/jurisdictional authorities along the watershed, determining lines of effort for spinning up recovery, and overall coordination for all things Feather River Watershed.
- BAER team deployed to Dixie Fire on August 16, 2021. Burned Area Reflectance Classification (BARC) map successfully completed by BAER team. BARC map analyzes the loss of vegetation and is used as an input for Soil Burn Severity Mapping and USGS Post-Fire Debris Flow Hazard modeling. Soil Burn Severity Mapping and USGS Post-Fire Debris Flow Hazard modeling slated to be complete within 1.5 weeks.
- Debris Technical Assistance personnel are engaged with Plumas and Lassen county staff to discuss initial actions for the State Consolidated Debris Removal Program, including Right of Entry (ROE) collection and urgency ordinance adoption. Targeting to begin ROE collection in Plumas County when the LAC opens on August 19, 2021. Feather River Watershed Analysis was conducted on August 15, 2021. More information will become available as Soil Burn Severity data is expected this week.

River Fire:

- Continuing to coordinate with Nevada and Placer County to identify any unmet needs and provide technical assistance as needed.
- The County of Nevada has contracted with a geotechnical consultant to identify erosion concerns and remediation measures.
- Provided the county with recommendations on how to properly assess the Bear River watershed. Recommendations include: an assessment of water conveyance systems (intakes, dams, culverts, etc.), sediment controls in tributaries (such as sediment weirs), slope stabilization where feasible, placement for debris flow diversion for the Bear River Canal and other associated structures, as well as an assessment of culverts.

Lava Fire:

- Reached out to the county to identify unmet needs as it relates to debris flow events occurring on the southeast side of Mt. Shasta.

Watershed Emergency Response Team (WERT)

- NSTR

Burned Area Emergency Response (BAER) Team

- BAER teams have completed soil burn severity and post-fire debris flow hazard mapping for the Tamarack and Beckwourth Complex fires.

**Preliminary Watershed/Debris Flow Impacts****Tamarack Fire:**

- In coordination with the Alpine Sheriff's Office and the County PIO, distributed a flyer to the residents of Markleeville describing potential risk from debris.

River Fire:

- In coordination with Nevada County and the Nevada Irrigation District, conducted site visits along the Bear River watershed.
- Exploring ash and debris watercourse interface sediment protections.
- Facilitating cross county (Nevada/Placer) coordination to address Bear River Watershed impacts.

CA-ESF 15: Public Information Office (PIO)

- NSTR

Office of Legislative and External Affairs (OLEA)

- Cal OES, CDPH, and other state and federal partners held a Statewide Situational Call for local, state, federal, and tribal elected/non-elected officials on Thursday August 19, 2021 at 1530 hours.

Office of Access and Functional Needs (OAFN)

- OAFN is coordinating with the American Red Cross, the California Department of Social Services (CDSS) Disaster Services Branch, and other ESF 6 partners to address access and functional needs-related considerations and resource requirements for displaced evacuees.
- OAFN maintains ongoing communications with whole community partners and stakeholders serving older adults, individuals with disabilities, and people with access or functional needs to provide assistance during power outage events, wildfires and shelter operations, and recovery efforts throughout the state.

Office of Private Sector / Non-Governmental Organization (NGO) Coordination

- The Office of Private Sector / NGO Coordination has activated the Business Operations Center (BOC) in response to the ongoing wildfires. Current efforts include providing situational awareness to the BOC partner network and monitoring unmet needs to coordinate in-kind and financial donations management.
- CA Volunteer Organizations Active in Disasters (VOAD) requested a truckload of water to distribute to wildfire survivors who are being repopulated. Requested water is being donated by Greene Concepts, Inc. Water shipped on Tuesday, August 17, 2021. ETA is Friday, August 20, 2021.
- The BOC was advised of a current unmet need for 59 camping tents by the ARC for shelters in Susanville. Facilitated donation from Amazon via Good360.
- The BOC received a request for donated supplies from a CA VOAD representative on behalf of Plumas County for the animal shelter and their distribution of emergency supplies effort. BOC is currently facilitating a donation from Home Depot. Coordinating with Disaster Logistics to pick up supplies from Sacramento area Home Depot and deliver to the Plumas Fairgrounds in Quincy, CA. ETA Pending.

Region Report

Inland Region

Access and Functional Needs

- Kern County/French Fire:
 - 24-Hour Hotline for transportations needs is in place.

Report Date:

8/20/2021

Report Time:

0730

School Closures

- El Dorado County/Caldor Fire
 - School Districts Closed:
 - Indian Diggings School District
 - Pollock Pines Elementary School District
 - Pioneer Union School District
 - Camino Union School District
 - Gold Oak Union School District

Animal Shelters

- El Dorado County/Caldor Fire:
 - Large animal shelter at Amador Fairgrounds is full, and no longer accepting large animals.
- Trinity County/Monument Fire:
 - Shelters moved to Redding, CA:
 - Small animals: 145 Locus St, Redding, CA, 96001
 - Large animals: Redding Rodeo Grounds, 715 Auditorium Dr, Redding, CA.

Medical Health/Public Health

- County EMS is deploying two (2) portable power units to shelter site support constituents reliant on medical equipment in case of power outages; shelter staff have been advised.
